Worldwide digital maps

You can use geomarketing software, GIS, BI and CRM systems to visualize and analyze your company data on digital maps. In just a few steps, you can extract insights from your data that would otherwise not be apparent. GfK GeoMarketing's worldwide map collection is the ideal foundation for carrying out these cartographic analyses. Select from among 240 country map editions to support your international planning. All maps are created by our own in-house team of cartographers and fit together seamlessly, without gaps or overlaps.

Highest quality standards

- Comprehensively researched
- Regularly updated
- High-resolution, gapless vector maps
- Available in all standard data formats, including ESRI ArcGIS (*.shp), RegioGraph (*.lay), MapInfo (*.tab), Oracle, GeoDatabase (*.gdb).

Below you'll find a summary of GfK GeoMarketing's complete map offering. We offer the world's largest collection of vector maps of postal and administrative boundaries. The map layers included in each country edition can be found in the corresponding tabular overview.

Select your edition

▪ Country editions

Looking for a map of a specific country? You can individually order country-specific map editions. These editions are priced in three categories, beginning at €500.

▪ Continent editions

The continent edition contains all maps of the countries located in the corresponding continent and is available for an attractive bundled rate. For each country, you'll receive all available postcode and administrative maps as well as individual map layers. All layers include complete German, international and local place-name attributions.

▪ World Map Edition

The World Map Edition is a combination of the individual continent editions and as such is one of the largest collections of vector-based administrative and postcode maps available on the market. The World Map Edition offers global coverage. Individual countries are saved in separate files. All map layers fit together seamlessly with those of neighboring countries, without gaps or overlaps.

Update price

If your map edition is not older than the most recent two releases, you can update to the current version for 30% off the full price.

Ongoing savings of 50%!

Subscribe and save 50%, which already applies to your first order. We'll then automatically send you new map versions upon their release to ensure that you are always working with the latest products.
